

JOIN THE WINDOW YOUTH PROJECT!

Empower, Learn, and Create Change Through Podcasting!

Co-funded by
the European Union

Do you have a passion for **media and technology**?

Do you want to make a difference in your community by **empowering young people**?

Join the **Window Youth Project** and become part of a movement that uses **podcasting as a tool for positive change!**

ABOUT WINDOW YOUTH

The Window Youth Project is dedicated to empowering young people from disadvantaged backgrounds through podcasting, media literacy, and the development of critical soft skills for civic and political participation.

WHO ARE WE LOOKING FOR

We are seeking passionate and dedicated professionals that work with young people on the move aged 18-30.

IDEAL CANDIDATE PROFILE

- Interest in Media and Technology
- Basic Understanding of Digital Tools
- Commitment to Learning
- Teaching Mindset: You are enthusiastic about mentoring children and youth

WHAT YOU WILL GAIN

- connecting with peers from other countries
- promoting social change in youth communities
- taking passion for media and youth work to the next level

You have to make sure you can commit to participating in all 6 webinars (1.5 hours each, in English) and are ready to engage actively in making podcasts with young people.
