YOUNG VOICES, GLOBAL IMPACT

EMPOWERING YOUNG PEOPLE FOR A BETTER FUTURE

Who Are We?

Teachers for Youth Ambassadors (TYA)

is a network of dedicated educators committed to:

- promoting international collaboration;
- encouraging active citizenship;
- supporting inclusion and diversity;
- developing 21st-century skills;
- creating meaningful opportunities for young people.

Why TYA?

- International experience
- Inclusive educational environment
- Creative and engaging activities
- Strong European values
- Opportunities for personal growth

Youth Participation

We encourage students to express ideas, take initiative and become ambassadors of positive change.

International Collaboration

We cooperate with schools and organizations from different countries to build long-lasting educational connections.

Together We Learn. Together We Grow.

ERASMUS- JMO-2025-NETWORKS-SCHOOLS

TYA connects education with inspiration, friendship and opportunity. Because today's students are tomorrow's ambassadors.

We inspire young people to become active, responsible and open-minded citizens ready to shape the future of Europe and the World.

What Do We Do?

Erasmus+ Educational Courses & Mobilities

We organize students and teachers who promote cultural understanding, teamwork and personal growth.

Workshops & Activities

Interactive learning through:

- teamwork;
- digital creativity;
- environmental awareness;
- communication skills;
- leadership development.

Our vision

We envision a world where young people:

- respect diversity;
- think critically;
- communicate confidently;
- work together across cultures;
- actively contribute to society.
